The renovation of the boutique hotel took place over a two-and-a-half-year period. It offers a collection of suites housed in two villas surrounded by a garden. These include the Garden View Prestige Room with a large balcony, the Garden View Terrace Suite and the Pool Patio Suite. Guests can also enjoy the Sea View Capri Suite with balcony views of the Tyrrhenian Sea, the Sea View Deluxe Room and the Sea View Junior Suite. The hotel also offers the Whirlpool Patio Suite and the Whirlpool Terrace Suite, both including whirlpool baths, as well as the Whirlpool Terrace Junior Suite with a whirlpool tub on a terrace.

The hotel's P Garden Restaurant is an indoor-outdoor space that extends into the gardens and poolside area. The restaurant offers a seasonal Mediterranean menu, and guests can enjoy an à la carte breakfast and lunch indoors or even by the pool. At night, the restaurant welcomes guests with a candlelit dining experience.
